Secondary School Supplies 2016-2017

Mrs. Hanvey

Note to All English Students:

We are asking students to purchase their own books for English this year . This gives them the freedom to highlight and take notes if they choose, without worrying about having to return the books in the same condition. Students may purchase used school copies of any of the books (Shakespeare not included) on their list for \$1.00 while supplies last (first come, first served). Students may also purchase e-books instead of paperbacks; most of these books are available for free through Kindle or Project Gutenberg. The ISBN # is the version the school has so I recommend getting that version (especially for works translated from another language). Please refer to the MLCA E-Reader Acceptable Use Policy (on website) if using an electronic reading device.
